**Subject:** Information Requests and Proponent Responses - Environmental Assessment, Goldboro LNG Project

Dear Ms. Helen Yeh:

Thank you for forwarding the Information Requests (IRs) from the EA Review Panel, government and non-government agencies, and concerned citizens.

Pieridae reviewed all submissions and generated a series of answers. The IRs are presented in document format together with our written responses. As requested, we are providing

- one electronic report copy (pdf format) via e-mail; and
- 11 hard copies via courier.

Please let us know if you require additional report copies.

Regards
